She had brains and beauty in fact, if he hadnt been her boss, there were a few highly improper things he would have asked the very proper Southern belle to do.... Now back in her natural habitat, she's prepared to marry a gentleman whose pedigree and fortune match her own. She's even accepted that she'll probably spend a lifetime fantasizing about the exquisite pleasure of being a tigress in her boss's bed. Imagine if he only knew! Well, Cody is about to find out. His trip to Atlanta to seduce her causes bedlam as Sara tries to keep her faux identity and her lustful feelings intact.... And fails!
