

Angel Ranger (Rollins of Riverview Book 1)

Disclaimer! While this is not an erotic book in anyway, this book has passionate kissing, along with the words lust and desire among others. Luke Anthony Rollins has always dreamed of being a Texas Ranger, but his latest undercover assignment places him smack dab in the middle of the meanest bunch of outlaws hes ever encountered. After being with the Tucker gang a grueling eight months he doesnt seem to be any closer to cracking the case than when he started, but when a beautiful piece to the puzzle is shoved in his lap (literally) he finds a lot more to thank God for than just solving the case. LeAnn Michelle Chandler finds herself in the arms of a guardian angel in the midst of a living nightmare. All she wanted was to find some peace that she had made the right decision when she said yes to the bankers spoiled son, but peace is a million miles away as she finds herself kidnapped during a bank robbery.
