

## Bachelor on the Prowl

When Holly Hollis oversees her companys first wedding fashion show, shes in a panic. Worse still, she inadvertently assumes hot executive Colin Rafferty is her missing male model. Colin was just stopping by to visit, but after getting a rather unorthodox taste of Hollys brand of sass and brass, Colin finds himself suddenly proposing to Holly the next day--over a hot dog! But model or not, Holly knows never to trust a man who looks as good as Colin. Especially if hes persistent....
