

## Love in the Shadows (Billionaire Matchmaker Book 1)

Teacher Jenny Travolini doesn't care that the town's reclusive, cold-hearted tycoon millionaire won't see her. They have business to discuss like how his dog knocked up her dog. However, Nicholas Bonaparte isn't exactly what Jenny imagined. Arrogant and icy? Absolutely. But the shadows can't conceal the raw, sensuality of his voice...or how it sends shivers along Jenny's skin. Nicolas knows his reputation for being cold and aloof. He welcomes it, in fact. He prefers to stay in the shadows, hiding the scars that mar both his skin and his soul. Yet something in Jenny calls to him, lights a raging fire that deep within him. There is more here than mere lust. More than passion. But the past is a shadow that won't be left behind...even when it threatens the hope of true love.
