

Wild

A USA Today Bestseller! An independent woman, a controlling man, and one wild one-night stand...Kat Kennedy moved to the rugged coast of Maine to start a new life, but encountered much more than she bargained for in dark, dangerous, and seductive Lane Wild. Desire and temptation smolder before she succumbs to her darkest fantasies with the captivating stranger. She doesn't expect to see him again after an explosive one-night stand leaves her breathless and craving more, but just like lightning in the darkness, he shows up in her life at the most unpredictable moments. A sensual game of cat and mouse ensues before the attraction between them reaches a fever pitch--the magnetism combustible, the sexual tension nearly unbearable--and Kat finally abandons inhibition and explores the cunning, selfish, and sexual side of a world she's never known. They have the perfect non-relationship--passion-fueled nights with no strings attached--until life gets real and the past and present collide in a dangerous storm of lust and obsession.*Lane Wild is a rough around the edges, filthy-mouthed alpha male. Not recommended for sensitive readers.
