

White Lightning (Welcome to Nottoway Book 1)

Clarice Jarrod has it all well almost. She has the job of her dreams, and she's just purchased a cute little two-bedroom house with loads of character in Nottoway, Virginia. So why is someone terrorizing her? It isn't until strange things begin to happen that she discovers the previous owner operated a whiskey still and was murdered there thirty-five years ago. And someone wants her gone. One of Nottoway's most eligible and confirmed bachelors, Tylan Chance, sold her the house and feels responsible for the sassy teacher's dilemma. But he quickly finds himself attracted to her. Burned once by a previous marriage, Tylan is cautious of relationships. As he helps Clarice search for the culprit, his resolve is tested in the face of his desire for her.
