To be alive in Gods world means living in a prayerful and powerful unity with God, with those risen from the dead, and all the peoples of the earth. To live this unity is truly human. The focus of the visions contained in this book is to bring awareness of the deep bonds uniting the living with each other, with the dead, and with God. In these fragments of discourses with those risen from the dead as reported here, we experience their awakening to a new life in a greater life in Gods world. The risen ones tell us to make Gods kingdom alive on earth and thus release a process of great spiritual energy to guide humanity and restore the earth to its spiritual axis.
