A spin off including the great characters you loved from the original books. Rock Solid? The Next Generation Series #1 Growing up as the adopted daughter of the worlds most famous rock singer isnt all its cracked up to be. Annie Slade has lived her entire life with wealth, fame and everything shes ever dreamed of. She has a perfect family, an amazing best friend and everything is going great for her. But when has the road to the top ever run smoothly? Can Annie survive the hurdles, tight turns, and dangers at every corner? Annie starts to realise, that following in her fathers footsteps and becoming as famous as he is, has its downside. With fame comes paparazzi, fans and gossip. Mix that, with hormones racing through her body confusing her to no end and the emotions of being a young teenager, well, Annie becomes one unsettled rock star. Aston is Annies best friend. Theyve grown up together, lived, breathed and felt every bump in this rock star road together. Will Annie realise that her true love has been there all along? Or will a blast from her past make everything Annie has ever wished for become a deadly reality?
