A happy family is forced to confront a shocking secret with the power to pull them apart in this riveting novel from New York Times bestselling author Nancy Thayer. Now available for the first time as an eBook! In their modest farmhouse in rural New England, Owen and Linda McFarland feel that they've found a little slice of heaven. Both previously divorced, they now have a second chance at a happy home with his son, Bruce, and her daughter, Emily. While the transition wasn't easy, Linda and Owen hope the newly blended family has put their troubles behind them. But they are mistaken. Bruce, seventeen, and Emily, fifteen, are enrolled together in an elite Massachusetts boarding school when bright, extroverted Emily attempts suicide, shocking the entire family. In recovery at the hospital, she makes a horrifying accusation that threatens to destroy the idyllic life Linda and Owen have worked so hard to build.
