

Kindred Sisters: New Testament Women Speak to Us Today

With profound insight, Dandi Daley Mackall makes the connections between the lives and faith of the women of the New Testament and contemporary women of all ages. The stories of Elizabeth, Mary, Anna, Mary Magdalene, Salome, Pilates wife, and others invite meditation and reflection on contemporary issues of life and faith. Ideal for either personal reflection or group study, each story includes biblical references, a prayer, and activities that make New Testament women come alive.
