

Caught By the Master [Club Esoteria 2] (Siren Publishing Classic)

[Siren Classic: Erotic BDSM Romance, sex toys, public exhibition] Whitney Elliott is on the hunt for a front page story about sex slaves and slave auctions when she sneaks in the back door of Esoteria. Overdressed to be a sub and doesn't have the attitude to be a Domme, she finds herself trapped in a world she'd only read about. Taurus Green knows everything that goes on in his club and makes a point to meet every new guest within minutes of their arrival. He doesn't know the cute little mouse wearing too many clothes and blushing at everything she sees. Could she be what he needs to cure his boredom with life? After catching the mouse, he offers her an option, him or the police. What will Whitney choose? Arrest and humiliation? Or punishment from the Master who caught her? **A Siren Erotic Romance
