

## Lead with LUV: A Different Way to Create Real Success

Once, there was a remarkable person who led with love. Her company succeeded where its competitors struggled. Its customers were loyal, its employees loved to work there, and it was profitable year after year, for decades. This loving leader began her career as an executive secretary, yet the company's founder chose her to succeed him as president. When asked why, he said, Because she knows how to love people to succeed. She is Colleen Barrett, President Emeritus of Southwest Airlines. Lead with LUV is an extraordinary, wide-ranging conversation between Barrett and the legendary Ken Blanchard, author of *The One Minute Manager*. Drawing on personal experience, Barrett and Blanchard reveal why leading with love is the most powerful way to lead and how it can help you achieve truly amazing levels of performance. Discover:

What love really means in the organizational context. Why leading with love is not soft management! How to use redirection and tough love to handle inappropriate behavior or performance. Why servant leadership is love in action, and how to make it work. How to build the compelling vision and culture that sustains leadership with love.
