

The Merry Widows Boxed Set

This bargain-priced boxed set includes three full-length novels: *IN THE THRILL OF THE NIGHT*, *JUST ONE OF THOSE FLINGS*, and *LADY BE BAD*. Fans of the historical romances of Sabrina Jeffries, Loretta Chase, and Madeline Hunter will enjoy this sexy, ward-winning trilogy by New York Times bestselling author Candice Fern. Meet the Merry Widows a group of respectable ladies with a secret pact that is anything but respectable! The five friends who act as patronesses of charity balls are assured of money and position. None are interested in marrying again. But they have no intention of forsaking physical passion for the rest of their lives. Instead, they make a daring pact to seek out lovers for the pure pleasure of it. *IN THE THRILL OF THE NIGHT*: Marianne Nesbitt adored her late husband, David, but the racy reminiscences of the Merry Widows make her wonder if she missed something special. Might she find it now through a love affair? Uncertain how to go about it, she asks Adam Cazenove, an old friend and notorious rake, to tutor her in the arts of seduction. The brazen request turns Adams world upside down. He never imagined his best friends very proper and exceedingly attractive widow would seek out a lover. If not for his recent betrothal to a young beauty, he would jump at the chance to warm Mariannes bed. Since he cannot bear the thought of another man doing so, he foils her every attempt at seduction. Until one night of unintended passion changes everything. *JUST ONE OF THOSE FLINGS*: Beatrice, Lady Somerfield, is too busy acting as chaperone for her headstrong niece to take her friends advice to find a lover. Until a dark stranger at a masquerade ball makes her realize what shes been missing. When she finally discovers his identity as the Marquess of Thayne, the very man she has practically been pushing into her nieces arms as the Catch of the Season, Beatrice is horrified.

But Thayne is thoroughly captivated by Beatrice, and finds himself increasingly drawn to the beautiful, sensual, more mature and sophisticated Lady Somerfield, and soon discovers he wants more than a love affair. Beatrice, however, has vowed never to marry again. But when their private fling leads to public scandal, more than one life is turned upside down.

LADY BE BAD: John Grayston, seventh Viscount Rochdale, has never refused a wager, especially one that involves enticing a beautiful woman into his bed. Hes willing to stake his most prized possession that theres not a single woman in all England immune to his charms. But when the object of the wager is the prim and proper Grace Marlowe, he has to turn on the full force of his seductive charm. Graces stalwart virtue is put to the test when the infamous libertine shows an unexpected interest in her. Outraged, flattered, and reluctantly attracted, she soon finds herself falling under the spell of the man behind the scandalous reputation. Rochdale, in turn, is delighted to discover a fiery passion beneath the widows prudish facade. But when hearts and lives become tangled in the gamble, the truth of his seduction could ruin everything. Writing that sparkles.
