

# Let Us Pray: A Symposium on Prayer By Leading Preachers and Theologians

When our Lords disciples came to Him regarding prayer, they did not ask Him to teach them how to pray, but rather they asked Him to teach them to pray. Obviously even those closest to Christ needed to learn to pray. And so do we. Here, some of our best Bible teachers and expositors give us instruction on prayer, from why we should pray, to what prayer is, how it ties in with Gods sovereignty, what it means to pray in Jesus name, what it means to hallow Gods name, and why God is to be the focus of our prayers, not ourselves. These, and many other topics, are addressed in this helpful book.
