Et s'ils laissaient la passion reprendre les rênes ? Sabrina est stupéfaite : Mitch, son ex-petit ami parti à Seattle, revient au ranch de Three River pour un mois. Plus stupéfiant encore, il veut faire passer Sabrina pour sa fiancée ! Cette petite comédie permettrait à Mitch, devenu promoteur immobilier, d'entrer dans les bonnes grâces d'une vieille millionnaire excentrique, avec qui il espère signer un contrat juteux. Mais la jeune femme a trop souffert de l'abandon de Mitch, dix ans auparavant. Si elle joue le jeu, ce sera uniquement pour mieux se venger. Au moins que cette mascarade ne fasse resurgir les sentiments qui les unissaient.
