

Love Busters: Protecting Your Marriage from Habits That Destroy Romantic Love

How spouses treat each other has a tremendous bearing on the success and failure of marriage. In this completely updated and revised edition of Love Busters, Willard F. Harley, Jr., helps couples identify and overcome the most common habits that destroy the feeling of love, including selfish demands, disrespectful judgments, angry outbursts, dishonesty, annoying habits, and thoughtless behavior. Harley also explains how to resolve common marital conflicts such as career choices and financial planning. You can't eliminate conflict altogether, but once these Love Busters are eliminated, conflicts can be resolved with love and grace. With Harley's expert guidance, couples will be able to avoid those behaviors that tear a marriage apart and focus instead on building their love for each other. This companion to His Needs, Her Needs and Fall in Love, Stay in Love is perfect for pastors, counselors, and couples.
