

MAIL ORDER BRIDE: Orphans Redeemer - Restless & Ruined Mail Order Bride Runs to the Arms of Her Western Redeemer: Inspirational Historical Romance (Beauty For Ashes Inspirational Romance Book 2)

Clarissa Dickens faces a fate worse than death if she does not find a way of escape.

In the clutches of a ruthless employer who threatens to force her into a life of sin and degradation, she decides to flee West as a Mail Order Bride. But Clarissas trek to Grant, Nevada not only carries her to an unknown future, it also brings her face-to-face with the deep wounds of her past. Abandoned orphan siblings, a soul destroying sanctuary of sin, a mysterious mining secret and cold blooded murder, paint a dark backdrop for the light of love, faith and forgiveness to shine their healing light, in this story of redemption and romance. Any book in the Beauty For Ashes collection will both break your heart and melt your heart. Every story follows the tragic pathway traversed by desperate brides, until finally they find true love and healing. Orphans Redeemer is no exception. Clarissa Dickens dire circumstance leaves little room for hope, but the light of love breaks through the darkness in the person of Maurice Leeks, a clerk for a mining company in Grant, Nevada. The amazing thing about Clarissas tale however, is that her journey there, although hounded by setback, brings not only hope for her future, but healing for her past. I promise that there will be moments as you read that will make you gasp, others that will have you putting on the gloves to fight for justice for our heroine, and of course generous helpings of good old fashioned clean romance. Terri Grace, Author The Beauty For Ashes Inspirational Romance Collection are stirring stories of despairing Mail Order Brides pulled from the ashes by loving Western husbands. Interview With The Author What kind of stories do you enjoy writing? My favorites are Clean Romance short stories, especially Mail Order Bride. I love writing historical Western romance novellas and short stories. I also write a cozy mystery or two. They are such fun!

Your books often contain an element of faith as well as clean romance and love. Is that important to you as a writer? Yes, my faith is important to me, and as an author clean Christian western romance is my heart passion. I love being able to tell a story, be it an American mail order brides series, a Mail Order bride and babies tale, or a historical western romance novella, and at the same time bring a positive message of hope, faith and love to uplift readers. Are all of your stories Clean reads? Yes, every story I write is clean and wholesome, and I find that language and sex free Mail Order Bride books are just as good as those that include such things. I don't think that offensive elements are necessary to tell a great story, and I always ensure that I write great Christian Western romance free of anything that might compromise my readers in any way. The main thing for me is always the story, and the characters. A great plot is what makes a story worth reading. Where do your brides and their stories come from? Mail Order Brides of the west, east or sometimes even foreign brides jump into my imagination every day, each telling their own special story! I have mail order brides of Texas, New York, even Liverpool, England. So many places, so many tales to tell. I get an idea for a book or a series and when I begin to write the stories often take on a life all of their own. Just like my readers, I am often on the edge of my seat eagerly waiting to find out what will happen next! I even have a few Mail Order Husbands cooking. :) What would you like to say to your readers? Just two short words. Thank you! I think many authors take their readers for granted, but without you there would be no stories. A story only really comes alive in the hand of a reader. My readers are the reason I write, the reason I can tell my tales. Without them, well, there would be no story to tell. Every email I receive, every review that is left - each one of them means so much to me
