

Majesty, Mistress...Missing Heir

Sheikh Tariq bin Khalid Al-Nur is as treacherous and formidable as the desert land he wants to rule. But he cannot take the throne of his country until he marries. Why, then, has he not wed? Tariq cannot rid his dreams of ordinary but bewitching Jessa Heath! Jessa knows she and Tariq have unfinished business. What if she were to take control and allow herself the one night he's offering to put their passion to rest? But Jessa is treading dangerous ground! It would only take that night to reveal the secret she has so desperately kept hidden.
