

Making Love Last a Lifetime Small Group Leaders Guide: Biblical Perspectives on Love, Marriage, and Sex

This small-group study is more than a small-group study. It provides the components to create a powerful small-group experience, including video presentations, a leaders guide with activities for class sessions and home use, and a thoughtful, inspiring participants book written by Adam Hamilton, the dynamic young pastor of The United Methodist Church of the Resurrection in Leawood, Kansas. But it is more than that. A Pastors Guide with CD-ROM provides the information and tools needed to create a congregation-wide event that will reach beyond the classroom, beyond the sanctuary, and into the community, bringing young people and families into the church who ordinarily might only stop by on Christmas or Easter. Making Love Last a Lifetime is a comprehensive program for reaching new people, creating excitement, launching new small groups, and strengthening existing classes. It includes sermon starters and illustrations, marketing materials, and outreach tools built around an eight-week study on a topic that holds great interest for singles and married persons, both inside and outside the church. Designed for use in 60-90-minute sessions. Gives the leader how tos on setting up and facilitating a group, getting the most out of each session, and coordinating with church-wide activities. Includes reproducible worksheets, brief summaries of session content, discussion questions, and activities.
