

Marissas Rights [The Service Club 2] (Siren Publishing Menage Amour)

[Menage Amour: Erotic Contemporary Menage a Trois Romance, M/F/M, BDSM, public exhibition, sex toys] Marissa knows what Justin and Ben will demand in exchange for their touch. She longs to experience everything these tough cowboy cops aim to show her. When danger comes to her doorstep, a night in their protection brings her the closest she's ever been to infinite pleasure. All she has to do is say the right words. Ben has a pair of handcuffs and an ache beneath his belt to put them to use. He's hard-pressed to take custody of Marissa's pleasure. Watching her struggle with her inner demons is tearing him apart, but saving her from herself is the toughest case he's ever faced. Justin is a patient man. Loaded with needs for Marissa, he's made his intent to claim her clear and left her fate in her hands. He'll protect her from danger, but the right to a lifetime of crazed passion rests with her. **
