

Heart of the Wolf (Morgans Mercenaries series Book 1)

Wolf Harding might have left Morgan Trayherns mercenary business, but he was still intrigued by worthy causes. Sarah realized that bruises and broken bones weren't all Wolf had suffered in the past; his heart had been shattered as well. And if Sarah wanted to tame the wounded warrior, she had to earn his trust before Wolf ran for the hills. Look for more titles from New York Times bestselling author Lindsay McKenna.
