

Angel of the Cove (Smoky Mountain Dreams)

In the first book in the Smoky Mountain Dreams series, acclaimed author Sandra Robbins weaves a tale of love, loss, and Gods faithfulness in every circumstance. Anna Prentiss has never wanted to be anything but a nurse. Before she can start school in New York, however, her brother sends her to Cades Cove, deep in the Smoky Mountains, to spend a summer apprenticing to the local midwife. Anna is determined to prove herself and then head to the big city. But nothing could have prepared Anna for the beauty of the Cove, or the community and friendships she finds there. And she certainly wasn't prepared for Simon Martin, the handsome young minister, or the feelings he arouses in her. Has Gods plan for Anna changed? Or is she just starting to hear Him clearly?
