

## A Year at Mulberry Cottage

A Year at Mulberry Cottage Leaving the London suburbs for a nineteenth-century cottage in rural Suffolk was the best decision that author Victoria Connelly ever made. Following on from *Escape to Mulberry Cottage*, Victoria takes you through a whole calendar year of life in a small country village from rescuing more ex-battery hens to taking part in her first horticultural show. With over thirty beautiful colour photographs, *A Year at Mulberry Cottage* is the perfect book for anyone who has ever dreamed of a life in the country. \* \* \* \* \* Praise for *Escape to Mulberry Cottage*: Enchanting. Erica James Victoria Connelly is writing in the tradition of Miss Read and bringing the pleasures of the countryside to a whole new generation. Leah Fleming A heartwarming read. Cosybooks A fascinating glimpse into the heart of a nature-lover. Caroline Lawrence I was totally caught up by Victorias country dream and I cant wait to read more of her adventures! Chicklit Reviews and News \* \* \* \* \* Victoria Connelly is the author of nine novels, the first of which - *Flights of Angels* - was made into a film. Five of her novels have been Amazon Kindle bestsellers and *The Runaway Actress* was shortlisted for the RNAs Best Romantic Comedy of the Year.
