The 20th Century from one mans eyes. My grandfather grew up in Arizona in the 1920s and 1930s. One weeks after the attack on Pearl Harbor he joined the Navy. During the summer of 2012, my mother visited him and recorded his stories about growing up, World War II, and his time as an employee at the Pacific Bell Telephone Company. This is the history of the 20th century as he lived it. These are his words.
