

Not Just Good, but Beautiful: The Complementary Relationship between Man and Woman

In an unprecedented interreligious conference in November 2014, Pope Francis and four hundred religious leaders and scholars from around the world met in Rome to explore what their diverse faiths teach about marriage and the complementarity of man and woman. This book contains the most representative presentations at that closely followed event, Humanum: An International Interreligious Colloquium, which included Catholic, Evangelical, Anglican, Pentecostal, Eastern Orthodox, Anabaptist, Mormon, Jewish, Muslim, Jain, Buddhist, and Hindu delegates. Contributors bring the wisdom of their various faiths and cultures to bear on this timely issue, examining, celebrating, and illustrating the natural union of man and woman in marriage as a universal cornerstone of healthy families, communities and societies. With broad global representation, Not Just Good, but Beautiful uses fresh language and images to highlight the beauty and benefits of marriage. Contributors do not represent political parties, but speak from their religious, intellectual, and cultural knowledge and experiences.
