

Obsession

#1 New York Times bestselling author Lisa Jackson brings you heart-stopping adventure and scintillating romance in this fan-favorite story. Zane Flannery has always been overprotective of his famous ex-wife, Kaylie Melville, who is, after all, her former bodyguard, not to mention her former husband. And when Zane discovers that Lee Johnston, a maniacal stalker who once threatened Kaylie's life, is being released from a nearby psychiatric facility, his protective instincts jump into overdrive. Spiriting Kaylie away to his cabin in the mountains, Zane has nothing but her safety on his mind. But being alone together in a remote mountain hideaway proves irresistible for them both, and the sparks that once flew between them are soon reignited.
