

Broken Visions (Shattered Promises) (Volume 3)

Gemma thought Alex was dead, that she made an irreversible mistake and would never see him again. But then her father resets time and she's given another chance to be with Alex, if she can save the world and get rid of the star. Gemma decides to follow in her father's footsteps and attempt to change the vision of the end of the world. If she can pull it off, then maybe she can have the normal life she's always wanted and Alex and her can have a chance for a real future. But changing visions is dangerous, and sometimes one small mistake can lead to disastrous results. ****Mature Content Warning**** 17+ for language and sexual content. (this is a re-imagining of my Young Adult Paranormal book, *The Vision* (Book 3 in the *Fallen Star Series*) told as a New Adult Paranormal)
