

On His Honor (Mills & Boon Vintage Superromance) (The MacAllisters, Book 2)

Detective JD Cameron is on to something big. He's got evidence of a human-trafficking ring operating here in Austin, Texas. And he's targeted one guy as his way into the ring. But how can JD get close enough without alerting the suspect? The solution comes with actress Violet James. In town for personal reasons, she needs a bodyguard, and JD is perfect for the job. But this simple assignment quickly changes. An unexpected and powerful connection develops between Violet and JD that can't be ignored. Not only is it jeopardizing his objectivity, he's also aware he's not telling her the truth. Confessing all risks his career, but not confessing risks so much more.
