

## On the Mend

E.R. Professionals Dr. Zach Jordan -- Dr. Keely Thompson The last time Dr. Zach Jordan had seen Keely Thompson, she had been a typical teenager -- with a massive teenage crush on him. Now she was a fully qualified doctor, a beautiful young woman -- and about to intern with his E.R. team. It was hard enough working with Zach -- she had proposed to him when she was sixteen! Now Keely was about to live with him, too, as a nanny for the widowers three-year-old daughter. Shift work made the arrangement ideal, but the attraction between them was undeniable. Zach had broken her heart once. Keely couldn't let it happen again. Lives lived moment to moment ... heartbeat to heartbeat
