

Bound to You: A One Night of Passion Novella

The sensual author of *Addicted to You* explores once again the rewards of impulsive desire in a new One Night of Passion novella...John Corcoran loved the isolation of the Shawnee National Forest with the crisp spring air, the sounds of nature, and the bracing scent of pine. Isolation is what movie star Jennifer Turner craved as well, an escape that only a weekend hike, a long and blissful distance from Hollywood, could provide. Yesterday, they were strangers--until a fateful accident, deep in the forest and far from civilization, throws them together and plunges them both into darkness. For Jennifer it is as unnerving as the night itself, trapped in such close quarters with a man as mysterious as John. He is alpha: bold, rough, and masculine, but with a scent of firewood and spice she finds intoxicating. In the dark, Jennifer's nightmares spring to life. The only way to vanquish them is by submitting to blind, naked need. Now, as intimately close as a man and a woman can be, they find themselves alone, battling fear and vulnerability. Only an unexpected passion will comfort them--a sensual, raw experience from which neither is certain they want to be rescued.
