COMING HOME IS BITTERSWEET FOR RILEY BLAKE In the aftermath of the Great Depression, its time for Riley to start over. And the first step is winning the trust of his Missouri hometown. But it isnt easy for a man with a troubled past. Especially when his first love, Jolene Delaney, seems to believe that the new rumors about him are true. After Riley broke her heart, Jolene threw herself into teaching school and caring for her father and little sister. But she knows something is missing from her life. Especially when she comes face-to-face with Riley again. Can he convince Jolene that hes truly a changed man? Or will he succumb to old temptations and destroy her faith in him once again?
