

Passion for Creation: The Mysticism of Meister Eckhart

Passion for Creation Matthew Fox The Mysticism of Meister Eckhart - Meister Eckhart inspired and outraged 14th-century Europe with his plainspoken message that God is within each person. His radical sermons, eloquently proclaiming the wonder of everyday existence, have survived to influence mystics and scholars of every era, including Thomas Merton, D.T. Suzuki, Jung, and Marx. On Passion for Creation, author and former Dominican priest Matthew Fox uses Eckhart as a fulcrum to explore mystical experience in todays world and how anyone can contact it, any time. By exploring your mystical gifts on a deep, personal level, Fox teaches, you can directly revitalize every area of your life creative, emotional, sexual, social, political, and spiritual. Quoting from Eckharts legendary sermons, he unfolds a four-part system of inner exploration that embraces the mystical paths of every tradition, time, and place. Complete with brief meditations that lead you into a personal experience with this life-changing wisdom, Passion for Creation speaks from the heart of Christian mystical practice, while continuing in the oral tradition of Meister Eckharts original inspiration.
