

CHOSEN VESSEL

Chosen VESSEL is the true life story of Susan Ward. While still in the womb, her life was dedicated to Satan. From the time of birth to the age of thirteen she lived through unimaginable horrors in order to make her a servant of the dark. Despite the dedication of those around her to keep her in the darkness, she was chosen by God to be redeemed and saved. In Chosen VESSEL, she relives the struggle that occurred in the heavenly and earthly realms as the battle for her life and soul were played out. This book will challenge your perception of reality and make you rethink the world around you. But one thing is for certain..... Good and evil are at war in this world. Susan Ward, and her husband Mimms, spearhead building projects and provide humanitarian aid for people who live in war torn countries or poverty. For the last fifteen years they have lived and worked in Israel and Costa Rica. When living in the USA they make their home in Texas.
