While Madeline tries to resist Liam, the world of pain and pleasure he offers might just be too tempting to ignore. If real estate broker Madeline Swift wants to keep her job, she needs to make a sale and she needs to make it fast. So when a new client is in the market to buy a property, they're assigned to the disheartened and severely unoptimistic Madeline who comes face to face with the man on whom her job now depends: Liam Benedict. But Liam is no stranger to Madeline. The boy she had been infatuated with as a sophomore in college is now a man whose nothing like what she remembered. He's older, more sophisticated, gorgeous and impossibly hotter with a new cool, calm authoritativeness that excites and intimidates her at the same time. Liam knows exactly who Madeline is, and plans to seduce her into a world of sensual exploration that she had been too naive for all those years ago. The question is: is Madeline now ready for everything that Liam has in store? Only mature readers should download this book.
