

## Its Not about the War

This book chronicles one mans journey through life, finding happiness among the hardships and amusement amid the danger in Vietnam. This vivid account takes you on an armchair ride through an unpredictable and intriguing life. Set against the backdrop of The War, follow this young civilian engineer, family man and patriot through a war torn land as he strives to secure his young familys future and seek a more meaningful purpose to his own life. He returns home a changed man, only to confront a completely new set of obstacles, not least of which is a country in turmoil.
