

## Savage Heart

Tiffany has been rebellious and free-spirited her whole life but its not working so well for her. She charmed her way into her last job, only to get canned when her fiery temper led her astray now shes behind in her rent and in a desperate panic. To make ends meet, Tiffany takes a job at an exclusive and elite horse training ranch which provides her with both an apartment and a salary. Her boss Mr. Sharp is laid back and easy going making so she thinks the job will be a peace of cake. That is until he is replaced by Randall Wilkins, a handsome yet intense taskmaster whose profession has him skilled in the ways of control and discipline. Tiffany finds her bold personality finally at the mercy of a man who might just be able to tame her wild ways. This series is a contemporary romance featuring a billionaire, alpha male bachelor and submissive themes with searing depictions of romantic activity.
