

When I Hear You (Pure in Heart Book 5)

When I Hear You: Pure in Heart Series, Book Five As the summer draws to an end, Emma is anxious for Tate to return from Iowa. But she has some challenges to face before he returns. Using that time as an opportunity to listen to God and how He may be directing her future, she is surprised by some of the things she hears God saying. Hoping she isn't hearing God wrong, she takes some steps that radically change her current circumstances, but did she make the right choice, and is it too late to change her mind? Michaela has been enjoying her summer immensely, and the added surprise of Jake suddenly invading her heart makes for some fun times and heart-stirring moments. But will the difficulties at home cloud her joy, or will she see God working in amazing ways? And Nicole is having an interesting conclusion to her summer. Her love for Spencer is more real and alive than ever, but what does the future hold for them? Can she truly be worthy of having his love for a lifetime? And what surprise does her dad have to share that could be the answer to so many of her prayers? *When I Hear You is the fifth book in the Pure in Heart college series. Books in this series are recommended for young women age 16 and up and are meant to be read in sequential order.
