

Rav Avigdor Miller on Emunah and Bitachon

Rav Millers words come to life in this fascinating new book! Virtually every decision we make is affected by our grasp of the principles of emunah and bitachon (faith and trust in Hashem). But where do we turn to gain clarity about these issues, to find answers to our many questions? Rav Avigdor Miller, ztl, answered that need for thousands of Jews, and more than a decade after his passing, he continues to do so. Rav Miller left behind a vast legacy of recorded shiurim and writings. Now, thanks to the efforts of Rabbi Yaakov Astor, an important part of that legacy has been transformed into this monumental book. The themes of emunah and bitachon permeated a great many of Rav Millers shiurim and seforim, but the material was scattered in many different places and was thus hard to access. Now, that eye-opening material has been collected, assembled and organized into a fascinating question-and-answer book, a book that will answer your questions and bring you clarity when you need it most. Rav Millers bold, straightforward approach sheds a brilliant light on the most troubling, thorny issues that confront us. His crystal clear Torah wisdom will profoundly impact your life. This sefer will surely enlighten and inspire every reader.
