

## Touched by Angels

Sarah was a mother looking for a miracle; Jake was a tormented man looking to forget. She was raising a special child alone. He was testing the limits of recklessness on his motorcycle and in his plane. But when a little girl ran in front of his car, Jake risked his life for real in order to save her. Jenny and her mother Sarah tugged at his heart and made him want to be the hero Sarah imagined. But could such love ever silence the ghosts that haunted him? Could Sarah and Jenny be his second chance?
