

Dannys Dilemma [Tasty Teasers] (Siren Publishing Everlasting Classic ManLove)

[Siren Everlasting Classic ManLove: Erotic Alternative Romance, M/M, HEA] Danny Winters works in a nightclub as a DJ. He loves what he does and is very good at his job. The only thing he isn't good at is getting rid of his ex-boyfriend. The man is becoming obsessed with Danny. His ex-boyfriend shows up at his apartment and at his job, trying his best to track Danny down. Mack Nichols owns a security company with three of his Navy SEAL buddies. His life isn't very complicated, but it isn't easy either. He is raising a young son after his wife took off, leaving Mack in debt and to raise their child on his own. Mack finds that trying to balance home and work isn't an easy task. When things begin to escalate between Danny and his ex, Danny's best friend contacts one of her old college buddies, Mack, to help. What started out as helping Danny get out of a tough situation turns into so much more. But when his ex-boyfriend not only kidnaps Danny, but tries to kill him, Mack must put his training to use and find where Danny is before it's too late. ** A Siren Erotic Romance
