ROCK ROYALTY BOXED SET - BOOKS 1-3 Years ago, Rolling Stone magazine dubbed the nine collective children of the most famous band in the world Rock Royalty. Now all grown up, the princes and princesses are coming back to L.A.s Laurel Canyon to discover if love can be found among the ruins of a childhood steeped in sex, drugs, and rock n roll. LIGHT MY FIRE One touch will start a fire World-weary band tour manager Ren Colson leaves his London business behind for a stay in Southern California, never expecting to wake up beside Cilla Maddox. Cilla Maddox who in the years since their last meeting has turned sexy as hell. But she deserves more than a man hardened by long nights, dark roads, and too many faceless women. One night will change her world Cilla Maddox not once imagined shed see the bad boy of her dreams again. But then hes sharing her air, her home, her bed. Though he claims he has no heart, she wants it to be hers. Can she convince him that the flames that leap between them might signify forever? LOVE HER MADLY Bad twin Bing Maddox has wanted his brothers BFF Alexa Alessio for months, but hes stayed away because shes too hearts-and-family for his jaded soul. Ever since a good deed turned to a dark regret, hes buried his guilt in a series of forgettable flings with women who wanted nothing more. But when delicious Alexa needs a plus one to some upcoming wedding events, he gives in to his urges and goes all out in pursuit of getting her into his bed. Alexa Alessio doesnt know how it happened one moment she was being smart and keeping herself separate from seen-everything, done-everything, wildly sexy Bing Maddox and the next she was agreeing he could be her date. Sure she wants back-up when her cousin marries Alexas own stolen ex, but Bings made it clear he wants her on her back. Her heart says yes but her common

sense tells her it might be the very thing broken when commitment-phobic Bing moves on. She can have him, but can she hold him? BREAK ON THROUGH Reclusive novelist Reed Hopkins enjoys his solitary existence until single mom Cleo Anderson and her two kids move next door. Suddenly he has neighbors and the exasperating woman wants to be neighborly. He needs a better security system. A mean dog. Cleo can't control her compulsion to make the strong-but-silent man on the other side of the fence smile. Her kids are iron filings to his magnet too and a lonely woman can't help but begin to dream. Then trouble arrives on her doorstep and Cleo's concerned that she's in danger of losing much more than her heart Reclusive novelist Reed Hopkins enjoys his solitary existence until single mom Cleo Anderson and her two kids move next door.
