

## Romancing The Crown: Lorenzo and Anna: The Man Who Would Be King / The Princess And The Mercenary (Mills & Boon Spotlight)

The Man Who Would Be King by Linda Turner When royal-watching reporter Eliza Windmere discovered evidence that the missing crown prince was alive, she had to help in the search even if that meant pairing up with devastatingly handsome Duke Lorenzo Sebastiani. As she searched alongside the ruthless royal, she couldn't resist dreaming of one day being his bride. The Princess and the Mercenary by Marilyn Pappano Pampered Princess Anna Sebastiani insisted on joining the search for her brother, so Tyler Ramsey became her reluctant bodyguard. But when the fierce Montana winter left them snowbound, the rugged mercenary realised his duty was to protect the princess even from himself!
