

Secret Attraction (The Lawsons of Louisiana Book 2)

The heiress to a political dynasty, Desiree Lawson is more interested in tossing her hat in the ring than in playing the field. But when Desiree's twin decides to play matchmaker in order to find her a suitable date, the serious-minded senator's daughter has a change of heart. Spence Hampton is a charismatic Baton Rouge playboy who is famous for his amorous exploits. He's also the man Desiree has secretly desired for years and when the opportunity presents itself, she knows it's time to take a chance. Forced to love and admire Desiree from afar, Spence finally has his chance to be with the stunning Louisiana sister. Their first date is beyond his most passionate fantasies. With everything finally going their way, can he convince the reticent beauty that his playboy days are over and become the top candidate for her heart?
