

Seeking His Love (Mills & Boon Love Inspired)

Since losing his wife and child, widower Cam McKenna has tried to avoid children. But when he must temporarily care for his niece, Cam opens his home. With no idea how to relate to a fourteen-year-old girl, he seeks the advice of the new Christian Youth theater director. He's touched when Rachel Clark gives his niece a scholarship and teaches him a thing or two about teens and love. But why is Rachel so secretive about her past? The truth threatens their fragile relationship yet promises to bring them closer to each other and the Lord than either dreamed possible.
