

Shara Azods Flavors- Habanero Cocoa

Layla something akin to a human volcano. Slow to erupt, but once she did, you had best watch out. Javier very much enjoyed watching her destroy any and all that dared get into the petite attorneys way. Hell, he just enjoyed watching her. He couldn't, however, allow her to jump over the cosmetic counter in the middle of a busy department store. And once he had her in his arms, there was no way in hell he was allowing the the little chocolate covered habanero erupt over anyone else- ever.
