

## The Mighty Pen (Christian Encouragement from Writers to Writers)

Dear Fellow Christian Writer, We are pleased to share these devotional thoughts from Christian writers to Christian writers. We pray you might see yourself here and gain encouragement to keep writing for His glory. This devotional book was born out of a two-day class at Blue Ridge Mountains Christian Writers Conference. During the class we shared the good, the bad, and the ugly of writing for the Lord. Just as we are encouraged in the Word to spur each other on, we did this during our few hours together. Within these pages we hope to spur you on in your calling to write for Him. Proceeds from the sale of this book are being donated to the scholarship fund for the Blue Ridge Mountains Christian Writers Conference ([www.brncwc.com](http://www.brncwc.com)).
