

Single with Children (Fortunes Children series Book 6)

Every time Adam Fortune gazed at his children, he knew they desperately needed motherly love. So he hired pretty Laura Beaumont as their live-in nanny and thought his prayers were answered. But Adam soon sensed that something was troubling the young woman, because in her eyes he saw secret fears and unanswered questions. And he knew that no matter how deeply she cherished the children or loved him they would have to overcome the past so they could someday be a happy family.
