

Sister Peters in Amsterdam

SHOULD SHE GUARD AGAINST LOVE? Sister Adelaide Peters was surprised, but also very proud and excited, to have been chosen to represent her hospital in a new exchange scheme. It meant she'd be spending a year in Holland. Adelaide was determined to do her best, and she more than succeeded! She adored Holland, liked her colleagues and even mastered some of the language. She also unexpectedly and disastrously fell in love with her new boss. But Professor Coenraad van Essen was clearly out of her league.
