

Spin My Love

World renowned DJ Tane Miller returns to his hometown after leaving when he was eighteen and never looking back. When he runs into his beloved childhood friend Giselle, his life takes a turn he could never have anticipated. Giselle Reece has been in love with Tane ever since she can remember. After learning her lesson the hard way, she realizes that Tane isn't the man she once thought he was. When he re-enters her life, desperate to make amends, Giselle needs to decide whether she can let down her guard and forgive the man she once adored, or is it time to finally let go? Tane must now fight for what he wants, even though he isn't sure he deserves it. The only question is, will it be enough? Or is it too late for him to redeem himself?
