

Steps on the Path to Enlightenment: A Commentary on Tsongkhapas Lamrim Chenmo, Volume I: The Foundation Practices

Steps on the Path to Enlightenment: The Foundation Practices marks the first volume of a much-anticipated, comprehensive commentary on the Lamrim Chenmo by the renowned Buddhist scholar, Geshe Sopa. This landmark commentary on what is perhaps the most elegant Tibetan presentation of the Buddhist path offers a detailed overview of Buddhist philosophy, especially invaluable to those wanting to enact the wisdom of the Buddha in their lives. In the Lamrim Chenmo, Tsongkhapa explains the path in terms of the three levels of practitioners: those of small capacity who seek happiness in future lives, those of medium capacity who seek liberation from the cycle of suffering, and those of great capacity who seek full enlightenment in order to benefit all beings. This volume covers the topics common to the first level: Tsongkhapas explanations of the role of the teacher, his exhortation to take the essence of human existence, the contemplation of death and future lives, and going for the refuge. Given his vast knowledge and his experience in both Tibetan and Western contexts, Geshe Sopa is the ideal commentator of this work for the modern student of Tibetan Buddhism.
